**BLOCK OF THE MONTH**  

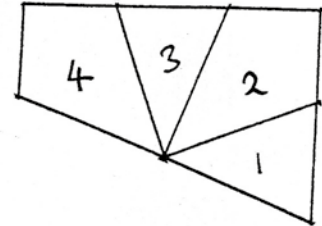

We do hope you have enjoyed making this miniature block of the month and we look forward to seeing your completed quilts! We wish you all a happy Christmas and New Year! Remember we have general notes on foundation piecing that you can download from our website.

### Block Diagram

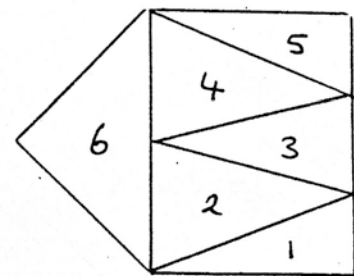

### 12 Pointed Star

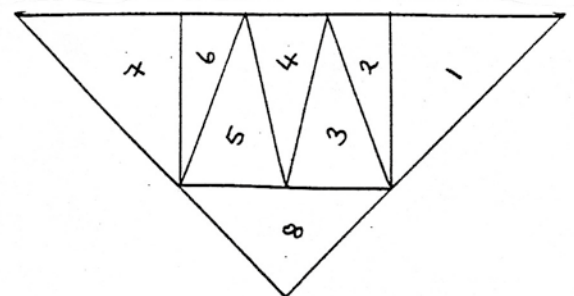

### diagram A

### diagram B

### Diagram C

- Cut your Block Diagram into 6 pieces. Cut along the lines from A to B and C to D. Now carefully cut along the 2 remaining sides of the centre square. Next cut the centre square in half - Diagram A.
- Following the fabric suggestions in the Block Diagram, piece each section in the correct numerical order. Diagrams A, B and C.
- Make sure that the fabrics extend the outer lines of each section by at least ¼in. With your quilting square trim the fabrics leaving a ¼in seam allowance beyond the outer line of each section.
- First piece together the 2 halves of the centre square, press seam open. Next join the 2 smallest sections to opposite sides of the centre square, press seams open and then join the other 2 sections on, press seams open.
- Remove paper, block is now complete.
