BLOCK OF THE MONTH

All the blocks we will be giving you this year are 4in and can be easily machine pieced using the paper foundation piecing technique. No templates are needed. You can refer to our foundation paper piecing notes which you can download.

Cross Canoes
Block Diagram

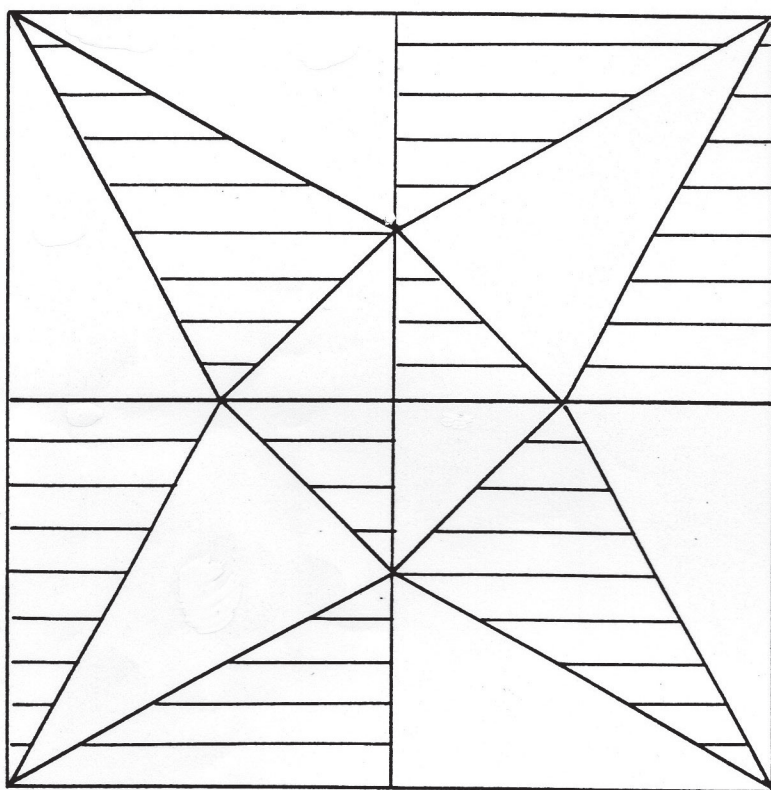

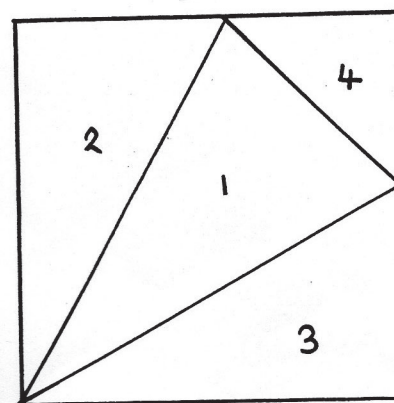

Diagram A

- Cut out your Block Diagram and carefully cut it into quarters along the lines.
- Piece each quarter in the same numerical order Diagram A. (Note: The fabrics are reversed in 2 of the quarters).
- Make sure that the fabrics extend the outer lines by at least ¼in. With your quilting square trim the fabrics leaving a ¼in seam allowance beyond the outer line of each quarter.
- Sew quarters together in pairs, press seams open.
- Sew halves together, press seam open.
- Remove paper. Block is now complete.
