

CORAL ANNIVERSARY

MONTH SIX - *Shaded Trail*

you need:

- 50cms jade (481081 Garden Flowers Ocean Green)
- 50cms floral (481086 Ahlia Pink)
- fat quarter coral (481091 Audrey Honey Yellow)

CUTTING INSTRUCTIONS

JADE

Cut five 2½in strips across the width of the fabric and set aside to make half-square triangle units.

FLORAL

Cut five 2½in strips across the width of the fabric and set aside to make half-square triangle units.

CORAL

Cut the fat quarter into three 4½in wide strips and then subcut into nine 4½in squares.

SEWING INSTRUCTIONS

MAKING THE HALF-SQUARE TRIANGLE UNITS:

1. Take a jade strip and a floral strip and lay right sides together on your cutting mat, ensuring that they are exactly one on top of the other.

2. Take the Creative Grids Flying Geese & 45/90 ruler and position the 45° triangle on the strip, aligning the 2½in strip line along the bottom of the strip and the cut-off top of the triangle along the top of the strip. Cut the first pair of triangles.

3. Rotate the ruler 180° and cut the next pair of triangles. Continue along the strip to cut twenty-four pairs of triangles.

4. Sew along the diagonals to form twenty-four half-square triangle units. Trim all dog ears and press open with the seams pressed towards the jade fabric (see pressing tip under step 5).

5. Repeat with all five jade strips and five floral strips to make a total of 120 half-square triangle units. You need 108 so twelve are spare.

Tip: When pressing the half-square triangle units, press most to the jade fabric but press thirty-six to the floral fabric. This will help when sewing the flying geese units together.

6. Sew a half-square triangle unit pressed to the floral and with a half-square triangle unit pressed to the jade as shown. The seams will nest together nicely. Repeat to make thirty-six flying geese units.

ASSEMBLING THE BLOCK:

7. Referring to the piecing diagram, sew the units together as shown. Press.

8. Repeat to make nine blocks and sew the blocks together to make Row Six.
